In March 2020, a GT EDA UC staff member conducted a 1.5-day workshop with entrepreneurs and small business owners in Columbus, Georgia. The City of Columbus, Georgia, located in Muscogee County, it meets EDA's distress criteria with an income threshold of 30.8 percent of the U.S.'s 2016 Per Capita Median Income.

The workshop was hosted by Startup Columbus, a division of the Columbus Chamber of Commerce. Twelve participants attended the workshop, including diverse businesses such as a food truck, personal services, professional services, and software development.
